Paul Prestridge

Paul Prestridge has been teaching and preaching the Word of God since the 1970's, and has traveled the world, in the process, to places like Mexico, Honduras, Guatemala, Africa, and India, to name a few!

There's no place that he won't go to preach the Gospel for his Jesus. For Paul, this is a personal Gospel. He and Linda, his wife (married in 1963), have committed their lives now to preaching the Word of God and ministering to countries around the world.

For many years they ran a School of Evangelism, training folks in Latin American Countries on how to minister the Word of God, to preach the gospel of Jesus Christ to their own people, and to walk in the liberating miracle power of Jesus.

Linda Prestridge

Over the years, Paul and Linda have held campaigns, crusades, church meetings and seminars throughout various Latin American countries, and in India, for the purpose of training and raising up pastors and ministers to spread the message of Jesus! Having pastored himself, Paul has as of this writing, founded from 75 to 80 churches, and continues to bring the Good News to countries desperately in need of the message of the gospel.

With meetings followed by signs, wonders, and miracles they constantly have reports of healings of lepers, raising of the dead, blind eyes opened, the deaf and dumb restored to hearing and speech, the crippled walking, and deliverance, all seen in and throughout their meetings, and oftentimes following, as a result of the Word of God taking root in the hearts and lives of those they minister to!

Paul's ministry is now in full swing as he serves as an Evangelist, and now with his wife Linda, they are planning meetings to Guatemala, Honduras, India, Burma, and Puerto Rico, and more, to continue doing what they have been doing for so many years, each and every year becoming more fruitful as the blessings of the Master continue to bring forth fruit in their lives.

Check out a couple of books Paul recently completed, one entitled "Perfect Peace" and the other, "The Supernatural Life", and Linda's book, "My Journey With The Master". Both have gone to press and are now available through Paul Prestridge Ministries. Contact them online via their website at: <http://www.PaulPrestridge.org>. These books are excellent tools to use in evangelism and in ministering to new believers.
