

PAUL PRESTRIDGE MINISTRIES, Inc.

Reaching the Whole World with the Gospel!

August, 2009 Newsletter

Dear Partners in Faith,

Honduras Trip, August 7th- 14th, 2009

Our trip to San Pedro Sula, Honduras was great. We ministered (6) times in (6) days in different churches around the city. We were on television Monday and Wednesday during the day for an hour each time preaching the gospel and ministering to the needs of the people who called in for prayer.

GOD DID MANY MIRACLES!!

The gifts of the Spirit were operating as He willed. Backs were instantly healed. Even our interpreter's back was healed as we prayed for others. One lady bought pain medicine for her back and was going to the doctor the next day, but God healed her. We prayed for people who were delivered from fear, alcohol and other drugs. There were some who received the Holy Ghost and others accepted Jesus or rededicated their lives to Him. Praise the Lord!

We also celebrated our 46th Wedding Anniversary on Aug. 7th, and my (Paul) 72nd birthday on August 11th. We had a Holy Ghost party in more ways than one.

We do not have a big ministry, but we serve a big God. Our mailing list does not consist of thousands of people, not even hundreds, and our partners who support us each month are few in number.

We give thanks to God, our provider, for those who are faithful in their giving. Obviously, we could do more if we had more, and it is in God's plan to use people in supporting the work of the ministry. It takes time and prayer, and it costs money to get on a plane, set up meetings in various locations and believe God for people to help us so we can help others.

We need more monthly supporters! And we're asking for your help.

Our needs for the remainder of 2009 are:

1. Honduras trip in August - we still owe \$1,500
2. Amsterdam church meetings in October - \$3,500
3. Nicaragua pastors seminar in November - \$2,500
4. Other ministry expenses - \$4,000

God bless you for your support.

For the Harvest,

Paul and Linda
